Foothills Mission:

Each student will be a successful learner in a caring, committed environment.

Foothills Goal:

All students will make a year's growth academically, socially & behaviorally.

Foothills Theme for 2019-20--HAPPY POWERS

School News & Information

Last Day--Community Food Drive—Nov. 4th – 8th

All elementary schools in Salem are participating in the food drive. The community is providing over 1000 Thanksgiving meals. They are asking that our schools provide cans of pumpkin and cans of yams but any donations will be gladly accepted.

Valley Visioning Survey Information:

This fall, Envision Utah is helping Utah Valley residents and stakeholders create a vision for the future as we add nearly 1 million people to our population over the next 50 years. This effort – called Valley Visioning – has culminated into the Valley Visioning survey, linked below.

https://www.valleyvisioningsurvey.org/

The survey gives Utah Valley residents the chance to weigh in on growth-related issues important to our future. It will serve as the foundation for a vision with specific strategies which will help ensure Utah Valley remains a great place to call home, now and in the future.

The survey is also a good chance for us to get support for our school. Please take the survey and type in our school's name at the end. For every survey completed by a parent, teacher, or student (13 years or older), Ancestry and Adobe (in partnership with Envision Utah) have agreed to donate $1.50 to our school.

I cannot stress how invaluable of an opportunity this is for us all to share our voices to define our future. Please take the survey and share it with your friends, family, and everyone you know!

Additional information is available in the attachments below and/or at

https://utahvalleyvisioning.org/
