Important Information for Parents and Students: Students are expected to return the signed behavior ticket and complete action plan by the date listed in the top right hand corner (2 days following the incident). Failure to do so will result in lunch detentions until the ticket is returned. If a student receives more than two tickets in a month, the student will not be allowed to attend the grade-level reward activity at the end of the month.

MY ACTION PLAN:

I talked with a parent or teacher about:

- What I hoped would happen
- How I was feeling before/after my action.
- Why it is important to follow rules.
- What other choices I could have made.
- Who I can talk to for help next time.
- How my choices affect other people.

Next time, I will:

- Ask for help
- Walk away
- Talk to someone
- Make a different choice
- Take a deep breath
- Be a better example
