BUDGET CHANGES: Discussed stipends for parents of the PBIS committee and other members. Questions were raised about whether the students on the committee should receive stipends. This was tabled until next meeting. Discussion of Our Schools Now and what their funding would mean to our school.

PBIS: Discussed stipends.

OTHER: Goals for reading and math – 1 year growth for each student with Tier 1 and Tier 2 interventions which include Early Steps, Nebo Plus, Redbird, Aleks, etc. Redbird was not placed on the improvement plan due to the pilot status and the fact that it is not funded through the district at present.

Discussion of the progress of the Duo Lingo program to introduce some bilingual education in the school. Mrs. Russell mentioned that this was being done during computer specialty time and all grades were participating in this.

Boundary discussion of the middle schools. Parents questioned how the new middle schools would affect the boundaries. A good discussion was held that the new middle school in Salem would take students directly from Salem Elementary, Foothills Elementary and Mt. Loafer Elementary and that each town would have direct feeder schools from elementary to middle then from middle to junior high and finally from junior high to high school.

Motion to adjourn by Coral Lee Findley, seconded by Kate.

Next Meeting to be held February 22, 2018
