## **2020-2021**

This handbook has been prepared to assist families in understanding the policies and procedures at Foothills Elementary School. Please familiarize yourself with the information in this handbook and feel free to contact me anytime if you have questions. I sincerely hope this handbook will be helpful to you and your family as we work together to make this a great year at Foothills Elementary School.

Mrs. Stoddard, Principal

### *Nebo School District Non-Discrimination Policy*

*It is the policy of Nebo School District not to discriminate on the basis of sex, race, color, national origin, religion, disabilities, or any other legally protected class(es) as defined by applicable state and federal law, in its educational programs, activities, admissions, access, treatment, or employment practices. Questions, concerns, complaints, and requests regarding this nondiscrimination policy should be directed to the Director of Human Resources at the Nebo School District administration office, located at 350 South Main Street in Spanish Fork, Utah (801-354-7400). Additionally, concerns may be directed to the Denver Office for Civil Rights, U.S. Department of Education. 1244 Speer Boulevard, Suite 310, Denver, CO 80204-3582.*

# Foothills Elementary Policies & Information

## 2020-2021

### ABSENCES & TARDIES

Regular attendance means that students are *in school, on time, every day* unless it is absolutely necessary to be absent. Few factors have greater influence on school success than regular attendance. Please notify the school (423-9172) by 9:30 A.M. on any day your child is absent. This helps us confirm that each child is accounted for and allows us to prepare make-up work when needed. When a student is absent and/or tardy for three consecutive days, the teacher may contact the parents to determine needs. When a pattern of absences and/or tardies develops, the teacher will notify the principal, who will then take responsibility for assisting the parents and child in correcting any further problems. This assistance may include involvement of the school nurse or counselor, notifying the Nebo School District truant officer, or initiating a referral to the Division of Family Services and/or Juvenile Court. Our intent is to solve attendance and tardy problems as quickly as possible.

### ACCIDENTS AND ILLNESSES

Whenever an accident or illness occurs and is of a serious nature including all head injuries, we will contact a parent. If we cannot contact a parent, we will notify the emergency contacts that you listed in Infinite Campus (Student Information System). In extreme emergencies when we are unable to contact anyone, we will take the necessary steps to get emergency care for your child.

### BICYCLES

All bicycles are to be locked in a bike rack upon arrival at school. Bikes are not to be used during school hours. Students should **walk** bikes while on school grounds and in crosswalks. Students should ride single file on the sidewalks not in the streets. The school will cooperate in investigation of theft or damage during school hours but cannot be responsible for bikes left overnight. Students are not allowed to play at the bike racks during the school day.

### BIRTHDAY TREATS

If you choose to send treats to school, please check with your student's teacher about allergies of students in the class. Also, please follow the guidelines listed below so that we will be in compliance with the Utah State Department of Health. **Utah State Department of Health regulation (R392-100-2 food care) prohibits the serving of homemade treats to children at school.** The regulation states: *Food shall be obtained from sources that comply with all laws relating to food and food labeling. Home prepared foods are prohibited. If treats are brought to school for activities such as birthday treats, class parties, special rewards, etc., they should be commercially prepared items preferably individually wrapped in cellophane paper, a box, etc.* **Because of COVID-19 and the extra precautions we will have in place we are only allowing individually wrapped birthday treat items.** We will not be able to allow boxes of donuts, cupcakes, etc.

## **BULLYING**

Bullying is not tolerated at Foothills Elementary School. A review of this policy is done at the beginning of the year in an assembly. If a student bullies others, he/she will get a Learn to SOAR form or ticket depending on the situation, and be referred to the principal. School policies will be reviewed, a behavior plan implemented, and parents informed. If the behavior continues the student may be suspended from school.

## **BUS NOTES**

Occasionally, a walking student may need to ride home on a school bus with a bus student. This is highly discouraged by our transportation department due to liability concerns unless there are “emergency circumstances.” **Request for this one-time bus privilege is not for birthday parties, music lessons, scouts, babysitting, going to play at a friend’s house, etc. These should be worked out between parents using their own form of transportation.** If the parent and principal deem that an “emergency circumstance” is needed, the walking student will need two things in order to ride the bus – 1) a note from the parent with the parent’s signature and the reason for riding the bus, and 2) a gold ‘**One Time Bus Riding Privilege**’ form, signed by the school principal. Without these two forms, the bus drivers will not allow a student to ride the bus. Students should get the principal’s form early in the day & not right before the busses are ready to depart.

## **CHOIR**

Due to COVID-19 and our commitment to keeping students and staff safe there will be no school choir this year. We hope to have our choir class return as soon as it is safely possible.

## **CLUBS**

Due to COVID-19 and our commitment to keeping students and staff safe there will be no after school clubs this year. We hope to have our clubs return as soon as it is safely possible.

## **DRESS STANDARDS**

Nebo School District’s dress standards are as follows: “Clothing shall be modest, neat, clean, and in good repair and shall include shoes. Modesty shall include covering shoulders, midriff and back. Short shorts, tank tops, halter, crop tops or belly shirts, extremely short skirts or dresses do not meet the modesty standards in our schools. Hats and caps (for boys and girls) shall not be worn during regular school hours. **Shorts and skorts** must cover 1/2 of the thigh. **Shirts and dresses** must have sleeves that cover the entire shoulder. Hair may not be colored extreme colors like colors of the rainbow & any extreme cutting of the hair (Mohawks, cutting symbols or designs in the hair, etc.) is not allowed. For the safety of our students and to prevent wear and tear on our flooring, we do not allow “heelies” (shoes with wheels on the bottom of the shoe). Because certain fads and extremes of dress and hair styling tend to attract improper attention to the individual and sometimes interfere with the normal educational process, all students are expected to conform to the standards of dress outlined above. Students who violate any of the dress standards will be asked to call home and have their parents bring a more suitable article of clothing to wear.

## **EMERGENCIES & MAJOR NATURAL DISASTERS**

We practice monthly emergency drills for the sole purpose of keeping students safe. We have procedures in place for emergencies in the case of fire, earthquake, lockout and lockdown. These are the definitions of each emergency situation: **Evacuation**—when there is a fire inside the building or other need to evacuate; **Earthquake**—when the ground is shaking; **Shelter-In-Place**--when there is a chemical/biohazard threat; **Lockout**—when there is criminal activity identified outside of the school but near school grounds; **Lockdown**—when there is a threat of violence identified on school grounds or inside the building. In the event of a major natural disaster affecting the entire community students will be held at school unless there is a need to evacuate. All teachers and staff members will also remain at the school to provide care for students. Unless otherwise notified, we will release students only to responsible adults or family members listed on SIS (iCampus). Your child will not be released to a neighbor or friend if they are not listed as an emergency contact. Evacuation sites are shown on the map below. Parents will be notified if students need to be picked up from one of the evacuation points. For emergency information, check the Nebo School District website.

## **FAMILY & FRIENDS FROM OUT-OF-TOWN**

Occasionally out-of-town cousins or friends come to visit your home during the school year. According to the Nebo School District policy, only students enrolled in our school are permitted to attend. Visiting relatives or friends are not allowed to attend Foothills Elementary School during their stay at your home.

## **FINANCIAL CONTRIBUTIONS TO OUR SCHOOL**

Legislative and district funds are limited at our school. Your help is needed to offer educational programs for our students. Planning for the year will be based on the donations we receive at the beginning of each school year. The suggested contribution amount for Foothills School is \$25.00 per student. Your contribution is confidential, tax

deductible and very important to our school. All students will take part in every activity planned regardless of donations.

## **GENERAL INFORMATION/ STUDENT INFORMATION SYSTEM**

**Please update the General Information on our new SIS program, Infinite Campus(iCampus) for your family each school year.** You can access iCampus SIS on the Nebo School District website on the Parent drop down menu or through this link <https://nebout.infinitecampus.org/campus/portal/parents/nebo.jsp>. It is very important that you log in and update the emergency contact information at least yearly or whenever there is a change. This information will be used in times of illness or serious accident. Please include as many details as necessary for us to be able to locate a parent or designated adult during school hours. The Student Information System (SIS) also gives parents access to grades, attendance, and lunch balance. Please check your child's progress often.

## **HOMEWORK**

The Board of Education recognizes the importance of homework for students as an extension of learning from school. Homework should be purposeful, reasonable in amount and designed specifically to meet the needs of the learner. Assigned homework should be carefully explained so the student has an understanding of expectations. Students should be held accountable for completion of assigned homework as a part of class requirements. Please check your child's progress often by logging into Infinite Campus.

## **IMMUNIZATIONS & BIRTH CERTIFICATES**

Utah State Law requires all children enrolled in a public school to complete all required Immunizations and have dates on file **before the first day of school.** It is also required to have a copy of your child's birth certificate. If after several contacts by our school nurse and principal, a child does not have a copy of their birth certificate and all completed immunizations on file, **the student may be excluded from school.**

## **LEAVING DURING SCHOOL HOURS**

Foothills' school policies forbid students to go home for lunch or leave campus during school hours without a parent or guardian. In order to keep our students safe we have a "closed campus" policy and will not excuse students who leave without a parent or guardian checking them out.

## **LIBRARY BOOKS & TAKE-HOME LIBRARY BOOKS**

We are very fortunate to have thousands of library books, guided reading books and take-home library books at Foothills Elementary School. These books cost quite a large amount of money and we encourage our boys and girls to take good care of the library books when taking them home. If a school library book is damaged or lost, the student may not check out additional library books until the lost book is returned or paid for.

## **LOST & FOUND ITEMS**

To help return lost articles of clothing, etc., **please put your child's name on everything** he or she brings to school. Valuable and/or tiny articles are turned into the office. Larger items are placed in a closet that is located in the office.

Lost articles that are not claimed by the last day of school before the Christmas holiday and the last day of school in May will be donated to a charitable organization.

## **LUNCH**

The following rules of health and safety have been set up in the lunchroom to protect your child and to see that he or she has a pleasant experience at lunch:

- Enter the lunchroom in an orderly manner (walk)
- Use appropriate voices and manners
- Stay seated until you are finished eating
- No throwing food, shooting food through straws, or touching food on other trays
- Clean your eating area before leaving
- No food or drink is taken from the lunchroom

Lunch prices: Students - \$2.00                      Reduced - \$ .40                      Adults - \$4.00  
Breakfast prices: Students - \$ 1.50                      Reduced - \$ .30                      Adults - \$2.00

Applications for free or reduced lunch are now available in your Parent Portal of Infinite Campus. Parents always have the option of sending a “home packed” lunch with their child anytime throughout the school year. This year due to COVID-19 and keeping our school clean and sanitary, we are asking that “home packed” lunches be sent in a paper bag that can be thrown away after lunch.

## **MAJOR NATURAL DISASTERS**

In the event of a major natural disaster affecting the entire community students will be held at school. All teachers and staff members will also remain at school to care for the students. Unless otherwise notified, we will release students only to responsible adults or family members listed on iCampus SIS. Your child will not be released to a neighbor or friend if they are not listed on your sheet or you have not called to inform the office. **KSL RADIO AM 1160** is our Emergency Broadcast System. It will announce when the school is closed due to inclement weather, etc. You may also check the Nebo School District website.

## **MEDICATIONS**

It is the policy of the Nebo School District that all medications be administered to children by their parents at home. Only under exceptional circumstances will the nurse, secretary or principal give a child medication. An *Authorization for Student Medication* form (JHCD-P1) must be completed and signed by the parent and physician. **This form must be updated by the parent and doctor each year.** Tylenol or Ibuprofen may be given to a child at school only after verbal confirmation from a parent on the phone. The phone call must be done each time Tylenol or Ibuprofen is given.

## **MONEY & VALUABLES**

Teachers cannot be responsible for a student's money and valuables. Therefore, we discourage students bringing pocket money to school, except for those times when there is a specific purpose (book orders, school projects, picture money, PTO Book Fairs, etc.). When you do send money to school with your child, (either cash or check) please send it in a sealed envelope with the following information on the outside:

- 1 - Child's name
- 2 - Child's teacher's name
- 3 - What the money is intended for
- 4 - Amount of money enclosed

Valuables such as jewelry, walkmans, CD players, GameBoys, iPods, all Cell Phones and Smart watches (see more information below about Smart devices), other handheld computer games, toys, trading cards of all types, etc., **are not allowed at school.**

## **PARENT PICK-UP & DROP-OFF**

Please pick up and drop off students on the north side of our building (larger parking lot) and on the northeast student pick-up/drop-off lane in front of our school. The southeast lane in front of our school is for busses only. (See Parent Pick-Up & Drop-Off Map at end of this booklet) There is also a smaller parking area on the far south side of our building, which is used for kindergarten pick-up and drop-off. The procedure for students who need to cross the street is to go to the crosswalk even if it means they will walk farther. Students should only be picked up from a sidewalk on the passenger side of the vehicle. It is **very important** that the students wait for an adult to cross them at the crosswalk. Students run the risk of being hit by a car when they run into the road as parents "urge" them to hurry across the road to get into a vehicle. Please help us keep your student safe by practicing the safety procedure.

## **PETS**

Please do not permit pets to accompany or follow your child to school. Your child's teacher will contact you if they would like a pet sent as part of a study unit or for show and tell. Dogs on the playground will be reported to the Salem City Police Animal Control Officer.

## **PHONE CALLS BY STUDENTS**

Telephone use is limited to important calls as judged by the teacher or school staff. If students call home, it should be done from the office and for reasons of illness or other emergencies. **Calling home to get permission to go with a friend OR making arrangements for a "play date" or "sleep-over" is not considered an emergency.**

## **PHONE CALLS FROM PARENTS**

During much of the regular school day phone calls from parents requesting messages to be delivered to their students are taken care of very well by our office secretaries. During the afternoon, however, we only have Mrs. Slater in the office. We receive approximately 20 to 30 phone messages during the last ½ hour of every day. Therefore, we ask parents NOT to call into the office to give their student a message after 3 PM. This will give us time to get the numerous messages to students before the 3:15 PM bell rings.

## **PLAYGROUND SUPERVISION**

There are staff members on duty before and after school, at the bus loading area, at crosswalks and on the playground. There is also adequate supervision on the playground during the lunch hour and during recesses.

## **PLAYGROUND EQUIPMENT & SAFETY**

The following rules apply to all our playgrounds at Foothills Elementary School:

- Use equipment properly
- Play safely in assigned areas
- Ask an adult to get a ball when it goes outside the fenced area
- Treat other students with kindness
- Follow the direction of playground supervisors & teachers

### **Equipment Use Safety Guidelines:**

**Jump Ropes** – Jump ropes should be used for jumping and not for playing horse or to tie up another student. They should not be used to swing around in circles overhead.

**Monkey Bars & Horizontal Bars** – Students should not sit or stand on top of the bars. Students should not have “chicken fights” while hanging from the bars.

**Slides** – Students should go down the slides not up the inside or outside of the slides. When going down the slide, students should move out of the way of the person coming down.

**Inflated Balls** – Balls may be bounced against the large gymnasium walls. Teaching is going on in classrooms and balls should not hit windows and doors that would disrupt the class.

**Baseball Bats & Balls** – Students should not bring any hardballs to school. Wooden and metal bats are allowed if used properly. The only person who should swing the bat is the batter when he is up to bat. Students should not swing bats around to warm up since others are standing close by and may walk into the path of the bat.

**Footballs, Basketballs, Softballs, Frisbees** and any other playground equipment brought from home, should be properly labeled with the student’s name.

## **SAFETY BEFORE SCHOOL**

To help us with safety issues, **your child should not arrive at school earlier than 8:30 A.M.** since there is no teacher on duty until this time. Students may then go directly to their classrooms. Please familiarize yourself with the recommended Safe Walking Routes in the back of this booklet.

## **SCHOOL COMMUNITY COUNCIL**

Foothills Elementary School has a School Community Council who represents parents, teachers, business partnerships and other community members. The council meets about six times a year, or as needed. The purpose of the council is to discuss needs related to the school and to coordinate efforts to meet those needs. The School Community Council assists in the formulation of the School Improvement Plan, the Trustland Plan, the Reading Achievement Plan and the Safe Walking Route Plan. Our School Community Council has one teacher representative, one teacher facilitator, the

principal, a PTO Representative, and four other parents. Elections for parent members are done in the fall. If you are interested in serving on our School Community Council, please notify the principal.

## **SMART PHONES/WATCHES**

Smart phones, smart watches or any electronic device that has the capability to text, call, take photos, access the internet, etc. should not be accessible to students at school for safety reasons. We do not want students being exposed to pornography, cyber bullying and sexting OR being distracted from the learning that is taking place. So the policy continues to be unchanged and these devices are not allowed at school. We understand, however, that many parents feel it is necessary to have a GPS tracking device with their children so if a student brings a device to school it should remain in their backpack or if it is a watch it should not be used for anything other than telling time during school hours. All students **MUST** use the phone in the office to call parents and parents should not call their student on their phone or watch during school hours. This is a distraction to the teaching and learning taking place at school. The consequence for students who are **using** their device **inappropriately** at school is that the teacher will ask the student to put it in their backpack. There may be additional consequences that match the severity of the inappropriate use. If there is a second offense, the device will be brought to the office and parents will be notified to pick it up from the school.

## **STUDENT COUNCIL**

Student Council is open to 5th grade students. Students wishing to be considered for Student Council must write and submit to their teacher an essay telling why they would be a good candidate. Four students from each 5th grade class are chosen by the fifth grade teachers. The teachers consider their essay content, academics, achievements and behavior in the 4th grade. The Student Council attend a conference at BYU in the fall where they receive training. They are involved in many service opportunities at the school.

## **STUDENTS AFTER SCHOOL**

Students should return home promptly following school each day. **They should never go to a friend's house without making prior arrangements with parents.** Students will not be kept after school longer than five minutes without first notifying a parent or other responsible person.

## **STUDENT CHECK – OUT / CHECK - IN**

If parents need to pick up their children during school hours, **they must come into the front office and sign the check-out log.** This may seem like an inconvenience, but it is required for safety purposes. Do not ask your child to meet you by the flagpole or out front of the school during school hours. Students should remain in their classroom until called to the office. Students will remain in the office area until an adult signs them out. When your child returns to school from an appointment, please remember to check them in again at the office so we know they are back into our school.

## **PBIS-Positive Behavior Interventions & Supports**

The Foothills PBIS Team has been working hard this summer to update our system of behavior expectations. If you would like more information about PBIS go to [www.pbis.org](http://www.pbis.org) OR [www.pbisworld.com](http://www.pbisworld.com). For our Falcons SOAR school rules and expectations please visit the PBIS tab on our website.

### **“LUNCH DETENTION” POLICY**

If a student receives 2 Learn to Soar Forms in a five day period **OR** if a more serious problem occurs at school (fighting, harassment or a safe school violation), a “lunch detention” is given. A “Lunch Detention” requires a student to miss one lunch recess by eating his/her lunch in the Skill Building room and sitting quietly until recess is over. This gives the student an additional “time out” to think about and attach a further consequence to their inappropriate behaviors.

The following are more serious behaviors that could result in a “lunch detention” **or a possible suspension from school.** The four bolded and highlighted violations below are the most common reasons for a suspension from school. Please explain to your students concerning their seriousness. You can also go to the Explanation of Major and Minor Behaviors at our school PBIS page on the Foothills Website.

● Safe School Violations - arson, burglary, stealing, battery (**fighting and/or a punch connecting with someone else’s body**), criminal mischief, intimidation, verbal abuse (swearing, foul language and any inappropriate language and gestures), illegal activities, leaving school grounds without permission & possessing weapons or facsimiles.

A student can also be suspended for **threatening another** (verbally expressing “I’m going to kill/hurt you” or drawing a picture and writing threats to others).

● Violations of the Drug and Alcohol/Tobacco Policy

● Sexual Harassment Violations - This includes, but is not limited to, the following:

- Derogatory or offensive jokes, teasing, or comments of a sexual nature
- Graphic remarks or sexual comments about an individual’s body
- Sexually suggestive or obscene pictures, letters or notes
- Grabbing, pinching, or touching of private areas
- Sexual gestures, unwanted pats, hugs, or touching
- Actual or attempted sexual assault or molestation
- De-pantsing male or female students, flipping up girls’ dresses, etc.

Parents will be notified by phone when their student’s behaviors are of a serious nature. If necessary, a meeting will be set up with the parents, the student, the teacher or the principal to discuss appropriate measures to help students change their behaviors. Suggestions may include but are not limited to counseling, Skill Building, loss of school privileges, parent conferences or parent attendance at school, transfer to an alternative class or placement, or out of school suspension and home counseling. Actions determined to be criminal will be reported to the Pupil Services Department and/or Law Enforcement authorities. All students are entitled to appropriate due process in all matters of school discipline and students will not be questioned by law enforcement officers without the permission of a parent.

## **VOLUNTEERS**

Foothills Elementary School loves having volunteers help in the classrooms and in our PTO (Parent Teacher Organization). To ensure the health and safety of our students and staff this year we are requiring the following of our volunteers who come into the building: You must be wearing a face covering the whole time you are in the school and working with students. You must check into the office when you arrive, have your temperature checked, and be able to say that you have no symptoms of COVID-19. Once you are done you will check out in the office as well.

## **WEATHER**

Students should arrive at school dressed for the weather of the day so they can be comfortable and safe during recesses. In winter months, children should remember to bring shoes to change into from their snow boots. Students may not run around the school in stocking or bare feet. All healthy children will be expected to go out for recess except in extreme weather conditions (low wind chill factor, rain or snow, etc.). Students need to check if it is a green light day (all students outside) or a red light day (all students will remain inside). Each classroom teacher has organized activities and reading materials for their students on Inside Days. If your child cannot participate in recess for health reasons, please send a note to this effect so teachers will know who may remain indoors. **If it is to be a prolonged indoor stay (longer than 3 days) please send a note from the doctor.** We do not accept notes from parents that state, "Please keep my child in from recess from November to March" or "Please keep my child in from recess through the winter". All children need to get some fresh air each day.

## **School Access Route Description Foothills Elementary School**

In accordance with state standards, Foothills Elementary School has identified school access routes for Foothills Elementary students who live within the walking boundary established for the school. A map showing the identified routes can be viewed by following the link below.

<https://www.snapforschools.com/map/school-maps/yHwZgHidRBig3Yxu4wODw>

The intent of a school access route plan is not to identify every school access route or to identify the more convenient school access routes rather it is to identify the safer school access routes. Care has been taken to consult with local law enforcement, school PTA, School Community Council representatives, and the District's traffic safety committee in establishing these school access routes. Despite broad consultation and unanimous agreement from all parties involved in establishing this plan, no one, including the Nebo School District and Foothills Elementary School can guarantee that the agreed upon school access routes are or will ever be completely free from hazards.

Parents are encouraged to walk or bike the school access routes with their child/children to address specific concerns they may have and to instruct their child/children to obey the laws and rules pertaining to pedestrian safety. If a parent feels their child/children should use a school access route that is not identified in this plan, it is a parent's prerogative.

As previously stated, the intent of a safe walk route plan is not to identify every school access route or to identify the more convenient school access routes. For this plan, school access routes leading to the school from areas where clusters of students live have been identified and are described below:

**A – Dream View & South Valley View Subdivisions:**

Proceed to 750 South; east on 750 South to 360 East; north on 360 East to 620 South; east on 620 South to 500 East; cross at the crosswalk; north on 500 East to 600 South; east on 600 South to 750 East (walk between the concrete barriers); north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**B – Cherry Ridge & Mt. Loafer View Subdivisions:**

Proceed to 360 East; north on 360 East to 620 South; east on 620 South to 500 East; cross at the crosswalk; north on 500 East to 600 South; east on 600 South to 750 East (walk between the concrete barriers); north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**C – Harvest Ridge & Loafer Mountain View Subdivisions & 500 East:**

Proceed to 500 East; north on 500 East (staying on the east sidewalk) to 600 South; east on 600 South to 750 East (walk between the concrete barriers); north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**D – Country View Lane & Whisper Ridge Subdivisions:**

Cross 750 East at 1280 South to the sidewalk (parents will be responsible for students safety as they cross 750 East); proceed south on 750 East to 1280 South; west on 1280 South to Harvest Ridge Drive; northwest on Harvest Ridge Drive to 500 East; north on 500 East to 600 South; east on 600 South to 750 East (walk between the concrete barriers); north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**E – 750 East between 1280 South and 11200 South:**

Proceed to 1280 South and cross to the north side of 1280 South (parents will be responsible for student's safety as they cross 750 East); northwest on Harvest Ridge Drive to 500 East; north on 500 East to 600 South; east on 600 South to 750 East (walk between the concrete barriers); north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**F – South Bench Estates Subdivision & 820 South:**

Proceed to 500 East (staying on the north side-parents will be responsible for student's safety as there is no sidewalk); north on 500 East to 600 South; east on 600 South to 750 East (walk between the concrete barriers); north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**G – Autumn Hills & Foothill Meadows Plat B & Badger Hollow Plat B Subdivisions & 750 East (south of Foothills Elementary):**

Proceed to the west side of 750 East at crosswalk on 600 South and 750 East; north on 750 East to 540 South; east on 540 South to 810 East; north on 810 East to Foothills Elementary.

**H – Nelson Landing & Foothill Meadows Plat A Subdivisions (north of Foothills Elementary):**

Proceed to 810 East; south on 810 East to Foothills Elementary.

**I – Foothill Meadows Plat B/C & Badger Hollow Plats A/C Subdivisions (east of Foothills Elementary):**

Proceed to the walk through at 430 South and 860 East; west on the walk through to 810 East to Foothills Elementary.
